Many years ago, when I was a college student, my practice was to give each of these two philosophical voices a separate time in which to study and speak. The longer recension, on the other hand, was little known, the form given in the editio princeps of the Sefer Yetzirah being probably a copy of the text found in Donnolo's commentary. Introduction Book of Zohar V1.

These include the sixteen-edged sword of God and the Gates, amongst numerous
