There are two major channels through which American arms manufacturers sell weaponry to foreign countries. From onwards the Saudis would spend a lot of money on the transport of international volunteers to the Afghan battlefields. Allies, enemies and shifting coalitions 1 The importance of the neighbouring countries Without the support of Pakistan, Iran, the Central Asian republics, India, Russia, China and Saudi Arabia there is no sustainable agreement possible between the fighting Afghan factions or between the Afghan people concerned and the international community. GeneWentz. Bush in his 20 September Address to a Joint Session of Congress and his 7 October address to the country, included the destruction of terrorist training camps and infrastructure within Afghanistan, the capture of al-Qaeda leaders, and the cessation of terrorist activities in Afghanistan. The British-based organization estimates that about 20, jihadic soldiers graduated from al-Qaeda training camps by October and another 10, were inside Afghanistan at that time. On a more intimate level so will those of Rukia, another who lost their five children NDN clearly came at a highly inflated price. According to their calculations, only about 2, have been killed or captured by coalition forces— just a small fraction of the total force.
