It is still very possible that the conduct underlying the lawsuit could have been successfully brought under a different theory, like assault or battery. It also helps to reduce gender inequality in other ways, research shows, like paying and promoting men and women equally, and including both sexes on teams.

TheU.Whittenburyhasdedicatedhereffortstohelpingresolveemploymenti  
Search Search search. First, to prevent sexual harassment an employer should have a sexual harassment policy, implement it as fully as possible and monitor its effectiveness. Sexual Harassment is perhaps the most pervasive, controversial, and detrimental behavior in the workplace that is extremely costly for employees and employers.

Thereasonablepersonstandardincludesconsiderationoftheperspectiveo  
example, if a female employee complains of harassment, make sure in applying this test that you take the perspective of a woman, not a man.
