Manifesto - by William J.

CuttotheChase-byStuartLevineDateread: Consider 20 leaders, all
rated as extraordinarily curious. For instance, when I asked
some high-level leaders in executive education classes what
they would do if confronted with an organizational crisis
stemming from both financial and cultural issues, most said
they would take action: move to stop the financial bleeding
and introduce initiatives to refresh the culture. It can also
minimize real or perceived tokenism, paternalism, and
inequality among the people who join later.
