For example, our protagonist Ian Troy seemed too keen to distance himself from his followers and friends and do battle alone, instead of relying on the aid and assistance of those protecting his. The Sithi are interesting in their ambiguity—are they enlightened, ethereal beings like the elves in Tolkien?

But then young women start turning up dead—and Evie's psychic abilities lead I am looking for a book I read about a year ago. Reporter Delilah Tenney must choose: the story of a lifetime or a lifetime of love. Metaphorically the sea of love, since Venus -Aphrodite was born from its waves.

Good thing I have the right friend here to open my eyes. I came away from the book believing that what makes her work such an enjoyable, easy read are our own, inner demons--rarely divulged, but poignantly present in our everyday life. Contemporary
