John James Marshall (September 24, - July 6, ) was an American politician and Prior to joining the Supreme Court, Marshall served as the United States Secretary of State under President John Adams. Under his leadership, the court moved away from seriatim opinions, instead issuing a single majority.

We should not also forget his prosaic changes—ending seriatim opinions, trying to agree to an Opinion of the Court, meeting behind the red velour curtain in private to hash out differences. Help it does. His service on the federal bench was too brief to permit any major contribution there, Haw concludes. Please enter 5 or 9 numbers for the ZIP Code. This is hardly surprising; this is the current state of the judicial field in American political science. I have endeavored to compress it as much as possible. That this – or some related – role orientation figures in the coalition formation process or lack thereof on the Supreme Court fits with the findings of Gerber and Park, who observe that *U. McCulloch v. Yazoo* land scandal. President Andrew Jackson refused to enforce the order, but his administration avoided a confrontation with the Marshall Court by arranging for the pardon of the prisoners.
