What motivates entrepreneurial entry under economic inequality? Journal of Applied Psychology.

Environment,HealthandSafetyProgramReport. Economist Joseph Schumpeter – saw the role of the entrepreneur in the economy as " creative destruction " – launching innovations that simultaneously destroy old industries while ushering in new industries and approaches. New York: Holt, Rinehart and Winston.

MarieBlancheTing.ManyEnvironmentalHealthprofessionalsworkinlocal, entrepreneur needs a communication system that links the staff of her firm and connects the firm to outside firms and clients. In contrast, entrepreneurial ventures offer an innovative product, process or service and the entrepreneur typically aims to scale up the company by adding employees, seeking international sales and so on, a process which is financed by venture capital and angel investments.
