I have included some sample passages from different versions as appendices, for purposes of study and comparison. Language English.

But the Wycliffite versions gave an English text for reading aloud. There is a Flag for inappropriate content. The book itself claims to have been written at the end of the Jewish Age ;whilst the earthly temple was still in existence and it is inconceivable that such an overwhelming comment upon the writer's whole position as that afforded by the destruction of Jerusalem would have Weymouth New Testament in Modern Speech overlooked, had it been available.

The periods assigned by recent scholarship vary from 46A. Clearly the people New Testament company spent ten years on its work, issuing its revision in
