Feb 25, Jeff rated it it was amazing Recommends it for: ever been or known someone who was sad? Except that when he concludes, more than four hundred pages later, he offers this: "The opposite of depression is not happiness but vitality. Instead of removing the conditions that make people depressed modern society gives them antidepressant drugs.

AndrewSolomonwritesaboutpolitics,cultureandpsychology.AndIjustkeep I like footnotes and citations; I find most arguments for avoiding them in this kind of writing disingenuous at best. It saved me. It made me think of Elaine Scary's "The Body in Pain" and how pain is such a brute, primitive fact that it cannot be put into words except in the form of cliché; depression is pain of different sort: soul pain, Solomon suggests, and so also escapes transformation into words. Punmia-FullBooks. But if you're susceptible to depression you also know that exposure to certain narratives your own or others can stoke the smolder of melancholia. Lots of notes inflate the page count.
