That diversity also posed challenges, and it was through dialogue that Belgium had been able to overcome. In doing so, they must be cognizant of the freedom of expression and the duty to respect the freedom of beliefs and religions. Aluncheon will be served according to the dietary requirements of each tradition. As an important country in the region and the Islamic world that represented the Shiite school of thought, Iran had been among the pioneers of intra-religious dialogue, and had hosted and participated in many events. How do we love each other and build up the community on campus and within our own communities through love, peace, and understanding? United States President George W. Please join us for a time of thoughtful presentations, festive music and cultural exchange. Be polite and listen and wait for an obvious break in the ritual, or for an individual who is willing to speak. You're using an out-of-date version of Internet Explorer.
