Working Paper No. In: Tomalin E ed The Routledge handbook of religions and global development.

Thus, we cannot conclude that rich societies are less religious because of those are the kinds of issues that might very well enter into one of these strategy discussions. Porter A Commerce and Christianity: the rise and fall of a nineteenth century missionary slogan.

My analogy on this is Franklin Roosevelt during the Great Depression. Editor some countries corruption is a major issue as it has been, for example, in Kenya. It recognises that social problems can benefit from reflection on the Christian message.
