Neither Darwin nor Genesis. I hope this is just the first of many books he plans to write from his much appreciated perspective. There's a problem loading this menu right . Continuereadingthisreview.ToaskotherreadersquestionsaboutStarsBer I itch to describe the dalmatian pelicans, the proboscis monkey, the southern pig-tailed macaque, the camel thorn trees, to name but a few, but if I tried I would just embarrass. I especially loved the "fifth dentist" approach to the book of Job to explain a thinking person's God. Apr03, ToddTimberlakeratedititwasamazing. Watch our trailer of trailers.
