However, to ensure that results of the organisational assessment are used, their use must be planned for by the organisation from the onset of the assessment, as well as considered throughout the implementation phase and even once reports have been submitted and disseminated. It was also recognized that countries contributing funds had an obligation to monitor and evaluate organisations receiving those funds and to demonstrate the results of development assistance. CanadahassuggestedthattheBankexpandthescopeoftheNon-ConcessionalIE. The Bank Group is the largest producer of impact evaluations IEsalthough a recent IEG evaluation found that the feedback loop between IE production and Bank operations and learning has been weak. It is a quick-disbursing financing instrument for countries with strong economic policies that are facing temporary liquidity problems in global capital markets. First, the prevailing ideology, entirely dominated by monetarist thought, imposed on the countries of the South and transition economies for more than 20 years, despite blatant failures and disastrous social impact. Webelievethatourclientsexecutebetterstrategiesasaresult.TheEIUinc

the relevance and effectiveness of aid, recognizing that for most development agencies a results-based approach requires a shift in organisational culture to go beyond input delivery and output quality to focus on the achievement of intended outcomes. This permits the Commission to support a programme with a high degree of flexibility.
