His work has been published in more than forty-five different languages, has sold over thirty million copies, and has been honoured with numerous international awards. The mythology created is rich, the characterisation is really excellent - especially that of Lazarus, an enigmatic man who is difficult to pin down, and the sense of foreboding is very well Watcher in the Shadows and will keep you off kilter.

Originally published in Spain, this chilling book follows the mysterious events. Farther on, the narrow point of the headland jutted out into the sea like a giant claw, separating Blue Bay from the wide gulf the locals called Black Bay because of its dark, deep waters. Especially in the west wing, as this was where his wife lived. Why a Book Trail? Paperback pages. After this tragic tale, a love story is waiting to happen.
