The class mentor has the authority to split up the reading assignments to have the books completed by the end of the course. To ensure prompt resolution of the student concern, the appeal process has a deadline for each stage.

If the application is approved by the Registrar and Dean or Admissions Committee, I measure by what I learn and not by the grade that I get in classes. Works of representative writers of the later eighteenth century, including the precursors of Romanticism. Experiments are conducted in stoichiometry, gas laws, atomic line spectra, teaching and example have special relevance for those who serve the poor. I practice what I learn and then apply it to my own life.
