Levy, J. Further information on citing electronic resources is available. At the same time, however, in concrete contexts in which the narratives of individual women who sell sex are themselves complex, multi-faceted, fluctuating and contradictory, and in which there is considerable diversity in the terrain of transactions across different sex markets, it seems that neither of these analyses can be wholly rejected.

RelatedInformation. Her research is framed by a feminist theoretical analysis, and is especially concerned with the law's engagement with the parameters of women's consent.

Farnham, Surrey: Ashgate;

Participants across collective and managed settings voiced concerns about features of WorldCat will not be available. This is not only one of the best feminist books on sex work policy I have read but also the best critical criminological edited collection on sex work there is and certainly the most articulate analysis of the current debate.
