More books in this series: Thug Series. In the torrid world of sex, drugs, and crime, Wahida Clark continues the definitive hip-hop soap opera that fans have come to love. I have to admit that I was a little tired of Tasha Angel and Kay were my favorite and have always been my favorite couple from the series. Mad'CauseSheAin'tYou. Nina handled her business. I kind of hated to see their relationship turn i just love this series. You always know what's up with everyone in the room, even if the other characters don't, and that can be really satisfying.
